Key Skills Statement

Gavin has over 20 years experience within the construction industry. Gavin provides guidance to all levels of management on the implementation of legislation and best practice throughout many industry sectors.

He represents the company in the provision of CDM Co-ordinator services, giving guidance on the preparation and development of Risk Assessments, Method Statements, Permit to Work Systems and Safety Plans. Gavin also investigates accidents and incidents and reports findings to Senior Management.

Gavin delivers health and safety training to our clients and is accredited to provide NEBOSH, IOSH and CITB courses.
